

Five Little Snowmen

Five little snowmen standing in a row.
(Hold up five fingers; stand up straight like soldier.)

Each had two eyes and a carrot nose.
(Point to eyes; point to nose.)

Along came the sun and shone all day,
(Form sun with hands; wipe sweat from brow.)

And one little snowman melted away.
(Hold up one finger; slowly "melt" to the ground.)

Four little snowmen...

Three little snowmen...

Two little snowmen...

One little snowman...
(Tune 10 green bottles)

Sing a song of winter

Sing a song of winter,
Frost is in the air,
Sing a song of winter,
Snowflakes everywhere,
Sing a song of winter,
Hear the sleigh bells chime,
Can you think of anything
As nice as winter time ?
(Tune: sing a song of
sixpence)

I'm a little snowman

I'm a little snowman , round and

When you see the snowfall here
me say,
Build a snowman every day!

Dragon Song

Oh a Dragon's very fierce,
A Dragons's very tough,
And when he breathes out orange fire the
smoke comes out in puffs,
His scales are shiney green,
They make a rattling sound,
His feet go stomp and his teeth go chomp
And his tail thumps on the ground.

It's A Rectangle

Sung to: "B-I-N-G-O"

There is a shape that has four sides,
But it is not a square NO!!
It's a rectangle; It's a rectangle; It's a rectangle;
It is not like a square NO!!
Two sides are long; two sides are short.
They are not the same NO!!
It's a rectangle; It's a rectangle; It's a rectangle;
The sides are not the same NO!!

Square Song

Find four corners, find four corners,
Sides the same, sides the same,
Put them all together, put them all together,
Square's my name, square's my name.

Have you ever seen a circle, a circle, a circle?
Have you ever seen a circle, which goes 'round and 'round?
