

# Weekly Challenge!

Can you help me to sing the songs from the Christmas song sheet?

## Grown-ups:

All of the children are learning Christmas songs. There is a song sheet for the Nursery Class and a different one for the 2 year class, both of which are in the entrance. There are some songs that are quite easy to learn and others which are more difficult. Can you sing the songs with them? You could post your child's singing on their tapestry account.
